

Summer Camp 2007 Directions, Mailing address and Emergency Phone Numbers

Take Riverside (91) Freeway to Corona. In Corona, take Interstate 15 south past Lake Elsinore to Temecula. Exit onto Highway 79 South and turn left (the exit sign says "Indio" –DO NOT take Highway 79 North.) and continue on past Vail Lake, Aguana, and Oak Grove. Follow Highway 79 south into San Diego County. Approximately 30 miles from Temecula is the turn off (left) to Chihuahua Valley Road. Proceed up into the valley for about six miles to the beginning of the Lost Valley Road. Our scenic dirt road goes straight ahead as the paved road makes a sharp right turn. It is about 10 miles to Lost Valley on this scenic dirt road. The 10-mile dirt road into camp is a one-way road, and uphill traffic has the right of way. Keep your eyes open for oncoming traffic. Please use the turnouts for oncoming and faster traffic, and please drive safely to and from camp.

This is a 15mph road. Please watch your speed. The road is maintained so cars can drive it.

Make sure to fill your gas tanks in Temecula prior to entering the Lost Valley road. No gas is for sale at Schoepe Scout Reservation. Temecula has several different gas stations for your convenience.

Bring a sack lunch for Sunday. The first meal served is Sunday dinner.

Mail: Send something. There is nothing worse for a scout to receive nothing during camp mail call. It will take 2 days after you mail something to arrive. Do not mail something on Thursday and expect your son to get delivery. Do not write that you miss them. Say you look forward to hearing about their adventures when you see them on Saturday. The camp address is:

Scouts Name and Troop #
Schoepe Scout Reservation
31422 Chihuahua Valley Road
