## 100-Mile Bicycle Ride

### Sat- Sun, Dec 18-19, 2010

Dear Scouts and Scouters,

Troop 212 is going on a 100-mile bike ride over two days; Saturday, Dec 18<sup>th</sup> and Dec 19<sup>th</sup> as the last troop event to commemorate the 100 year anniversary of Scouting. The bike route is 50-miles long, beginning at the church parking lot, riding southerly along the San Gabriel River bike trail, southeasterly along the Bolsa Chica/Huntington Beach bike trail, then northward up the Santa Ana River bike trail. The bike riding ends at the Green River Golf Course in Corona where the riders we'll be driven 10 minutes to camp at Prado Basin Park. The return ride on Sunday, Dec 19<sup>th</sup> is the reverse of Saturday's 50-mile ride.

The bike ride is on mostly flat; moderately difficult (due to the distance), well established paved bike trails. There is a short 3-mile stretch on Pacific Coast Hwy through Seal Beach on a marked bike lane. The Troop will regroup for lunch at Moon Park in Costa Mesa, approximately 25 miles from the church on both days. Riders may summon a chase vehicle by cell phone anywhere along the ride or end their ride at any one of several check points established along the route.

This outing can satisfy many Cycling merit badge requirements and give the scout an opportunity to complete the 50-mile, 8-hour ride requirement. All able bodied parents are welcome to join the ride. Participation in bike riding helps prepare scouts for many other Troop 212 high adventure activities. Scouts do not have to ride a bike to attend this outing as they may camp at Prado with the troop. All meals for this trip are Troop feed with selected members of each patrol assisting in meal preparation.

The Troop will meet in the church parking lot Saturday, Dec 18<sup>th</sup>, 7am prepared to ride. Scouts should dress for chilly weather, layering clothing to peel off as they warm up. Scouts must bring all personal overnight camping gear to the church Saturday morning where it will be hauled by vehicle and a lead group of adults and non-biking scouts to Prado. We will conduct a pre-ride bike check; discuss the route, review bike safety and contact information, and load-up camping gear. Bike riders are anticipated to arrive at Green River Golf Course between 3-4pm where they'll be driven to Prado. Uniforms are not required for this trip. Scouts wishing to ride the return trip will be transported back to the Green River Golf Course Sunday morning at approximately 8am. The return ride will once again stop at Moon Park in Costa Mesa for lunch and will arrive back at the church parking lot around 4pm.

In order to participate on the ride, riders must have:

- A signed permission slip with \$20/\$10 (gas) due at Monday's meeting of Dec 13th, 2010.
- A properly fitting bicycle helmet.
- A functioning bicycle preferably with changeable gears (*Road or hybrid bike style recommended*). Mountain bikes are okay but narrower street tires should be installed to reduce rolling resistance. BMX or beach cruiser style bicycles are not recommended. The bicycle must be in good working condition and have properly functioning brakes.
- At least 70oz of water. Although water will be available during the trip, there may be stretches between water fill-up stations. Water bottles can be carried on a bicycle mounted bottle cage or in a day pack. A Camelbak type hydration daypack is ideal and can be useful to carry snacks and other listed items. **Nothing can be carried in the rider's hands!**
- Applied sunscreen, SPF 30 or greater.
- Layered clothing including an outer windbreaker.
- Please note, **ear inserted music listening devices are not allowed.**

Optional but highly recommended bike riding equipment is:

- A tire tube repair kit with tire removers
- A small portable tire hand pump
- An extra padded bicycle seat cover
- Biking shorts w/ padded insert
- Riding gloves (think cold wind)
- Sunglasses
- A cell phone
- Small day pack or bike bag

**At a minimum**, the following items for camping should be packed:
