Annual Memorial Day Flag Placement May 23, 2009

Dear Friends and Families of Troop 212,

Those who are attending the Flag Placement Ceremony, please gather at the cemetery parking lot by 7am, you will walk in as a group. The group leader will need to get a head count so that everybody will receive a patch. Patches will not be handed out till all the head stones have a flag placed by it. Ceremony will start at 8am and finish between 11 and 12 noon. Please allow plenty of time to get to the cemetery (approx. 1 hour). Do not exit the freeway at Wilshire Blvd, please pass Wilshire Blvd and exit onto Montana Ave (exit 56) and make a hard right (almost a U-turn) onto Sepulveda Blvd, and follow the signs to the parking lot.

You will have a wonderful experience.

Curt Cramer
