

# Annual Memorial Day Flag Placement

## May 29, 2010

Dear Friends and Families of Troop 212,

We will gather right past the tunnel at the entrance to the cemetery parking lot by 7 a.m., and walk in as a group. The group leader will need to get a head count so that everybody will receive a patch. Patches will not be distributed until the flags have been placed by every headstone. The ceremony will start at 8:00 and finish between 11:00 and 12:00 noon. Please allow plenty of time to get to the cemetery (approx. 1 hour). Please do not exit the freeway at Wilshire Blvd; instead, drive past Wilshire Blvd and exit onto Montana Ave (exit 56). Make a hard right (almost a U-turn) onto Sepulveda Blvd, and follow the signs to the parking lot.

It will be a poignant experience for all.
