Boy Scout Basic Climbing - 2hr. A fantastic introduction into the sport for scouts of all ages. Our staff will take care of all safety protocols, give a brief speech about climbing safety and equipment setup, and then belay and coach the kids as they climb up the walls.

Boy Scout Merit Badge - 3hr. Work on earning your BSA Climbing Merit Badge at Hangar 18! We cover all requirements and our BSA certified instructors will get the scouts through everything that they need to know to earn their Merit Badge. Our instructors are knowledgeable, friendly, and patient.
