

Troop 212 Family Snow Sports Day
Sunday 30 **January** 2011 at **SNOW SUMMIT**

Overview & Required Forms

**NOTICE: IMPORTANT NEW INFORMATION,
PLEASE READ COMPLETELY!**

Greeting to all, here's a review of information & directions to get signed up for this year's family Snow Sports day @ SNOW SUMMIT. This is a family event so all are welcome including Friends!

Helmets are mandatory for all Scouts per the Guide to Safe Scouting (revision date 08/19/2009) and the rule does not extend to parents or other family members. Please be aware that Snow Summit does not rent helmets and the troop will not be sourcing helmets for this trip. Additional information will be handed out at Monday meetings including options to help you source a helmet for your Scout if you do not already have one.

Highly recommended: that New Boarders and Skiers take lessons. The price is right and it's a safe way to learn with trained instructors.

What do you need to do?

- 1) **Secure a helmet:** as stated, each Scout needs to bring a snow sport helmet for this event and this requirement is mandatory for the Scout only. Further, this rule does not extend to parents or other family members.
- 2) **Troop212 Permission Slip:** Fill out completely ONE per Scout.
- 3) **Release Waivers:** Group Ticket & Lesson Release Waiver: Fill out completely ONE per person including Scouts, Adults, family members and siblings. Parent or guardian must sign for minor. This waiver is required for every participant who purchases a Group Ticket!
- 4) **Rental Forms:** for those who need equipment.
 - a) Fill out the Group Rental Information Form page completely; include all members of your family and friends who will be renting.
 - c) Individual Rental forms will be given to you with your ticket packages. These forms will need to be completed by individuals who are renting and they will be submitted to Snow Summit at time of rental.
 - d) **You will be required to purchase a damage waiver for each set of equipment rented.**
