

Troop 212 Winter Camp 2012 at Tahquitz
January 27, 28, 29th , Cost \$26 / \$15

We will meet in the parking lot Friday, the 27th, at 7:00pm. We will NOT be traveling in Class A uniform. Plan on dressing in layers and have your jackets, hats and gloves at the top of your pack, because when we arrive at Camp Tahquitz it will be COLD. We are estimating the temperature to be around 30 with overnight temperatures to be in the low 20's. Once we arrive we will be setting up tents as we do not have a cabin to stay in. Bring money for Sunday's Lunch. We are planning on being back at the church around 4:00pm.

If you wish to attend, please bring the money and permission slips to the meeting on Monday, January 23rd. Since this is the same evening as our Court of Honor, we will be collecting about 30 minutes before the 7PM start time, so please arrive early. Food shopping will be at Stater Brothers on Thursday, January 26th.

We plan to return from this trip on Sunday, about 4:00 PM. The exact time is unknown because trip return times are always influenced by things beyond our control, such as how efficient we are during Sunday pack up time, general weather conditions, and even traffic conditions. Parents not going, click on Spot from the Troop's web page for our approximate location and judge our arrival from there. We will be traveling in high country and on a road that may not be plowed, conditions may include snow or ice, so drivers please bring your tire chains this trip and see Winter Driving Tips on the Reminders page of the Troop Web Site. Scouts and Scouters please see the troop web page for [permission slip](#), maps, [cold weather camping guide](#), [cold weather sleeping bags](#) and [winter driving tips](#).

Pack everything in plastic bags! We may be traveling to snow and things may get wet.

Adults, we will be traveling in high country and road conditions may include snow or ice, so **drivers please bring your tire chains this trip** and see Winter Driving Tips on the Reminders page of the Troop Web Site. Trip questions may be directed to Scoutmaster@troop.net

Winter Gear List v1.3 rev 1/5/11

CLOTHING (As a general rule, **stay away from cotton.** Polyester, polypropene, or wool is best.)
