

# Snow Summit Waiver – Required for all Participants who purchase tickets, rent equipment or take lessons

***New this season Electronic Waivers.*** The online system will make gathering waivers for the members of your group easier. This new system makes it more convenient for parents/guardian to sign liability waivers in advance for their children 17 & under. And it will be less hectic for the leader and streamline your group check in.

Please follow the link below to our secure, online waiver system where you can manage your group members and sign your waiver. If the link below does not work you can also copy and paste the waiver in your browser address bar and navigate to the site
