

Troop 212 Family Snow Sports Day Sunday, January 13th, 2013 at [SNOW SUMMIT](#)

Overview & Required Forms

A greeting to all, here's a review of information & directions to get signed up for this year's family Snow Sports day @ [SNOW SUMMIT](#). This is a family event so all are welcome.

Helmets are Mandatory for all Scouts per the Guide to Safe Scouting (revision date 08/19/2009). For the first time, Snow Summit does rent helmets, so additional information under equipment rental will be posted to help you if you chose this option.

It is highly recommended that New Boarders and Skiers take lessons. The price is right and it's a safe way to learn with trained instructors.

What do you need to do?

- 1) Release Waivers
 - a) Group Ticket & Lesson Release Waiver: Fill out completely ONE per person including Adults. Parent or guardian must sign for minor.
 - b) Troop212 Permission Slip: Fill out completely ONE per Scout.

- 2) Rental Forms for those who need equipment.
 - a) Fill out the "Guest Info Sheet" page completely ONE per person (You keep this form with you and hand it in when you pick up your equipment).
 - b) If you are renting a helmet then you need to fill out the separate Helmet Rental Waiver (You keep this form with you and hand it in when you pick up your equipment, please note: minors will require a responsible adult to be present).
 - c) Purchase of a damage waiver for each set of equipment rented is mandatory.

- 3) Payment Schedule – Review the cost schedule and select the package(s) for yourself and/or your family. Please fill out the quantity and totals on your cost schedule form. This should match the payment you submit. Please remember to include the mandatory damage waiver cost for each set of equipment rented. You will also need to complete and submit a "Participant Form" for each person in your family group.

- 4) Submit all completed forms and payments to Randy or Gloria at or before the troop meeting on MONDAY, December 10, 2012.

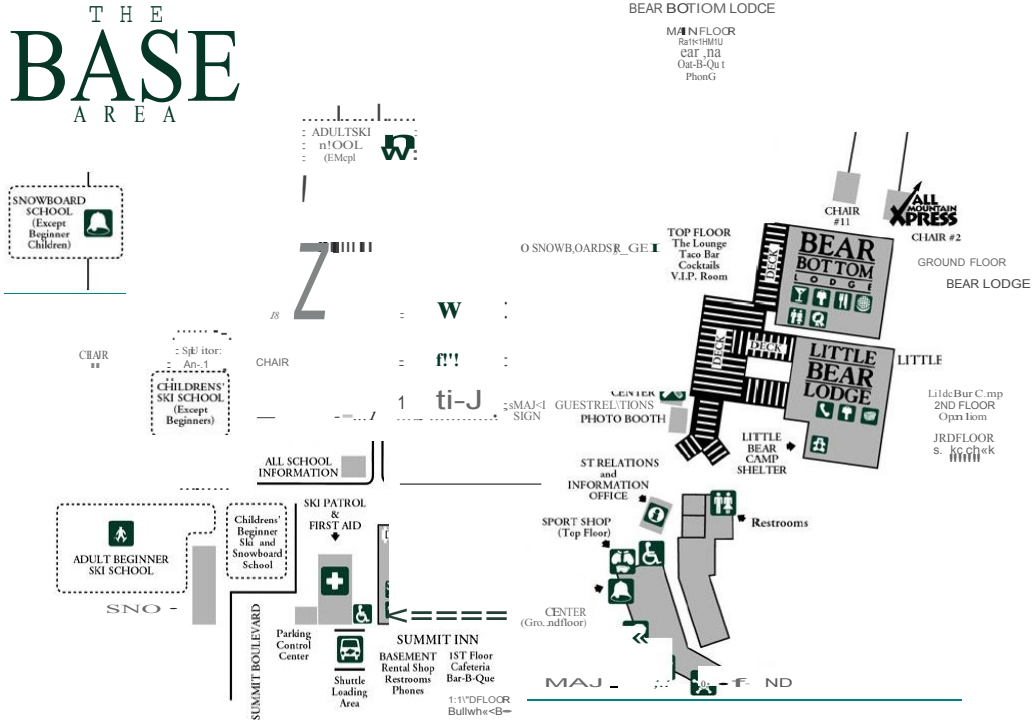

This event starts at the hill and participants need to arrange transportation to and from the event. If you need help arranging a ride to the event, please let us know and we can help you. Please note we are still checking into a bus service for those who may want it (details to follow). Directions along with any other mountain info, including additional forms if needed, are available @ the [SNOW SUMMIT](#) web site www.snowsummit.com.

We meet on the mid deck of Bear Bottom Lodge (near chair 11 and 2 – see map on next page) starting at 7:30 AM. People can arrive anytime but Scouts need to check -in- to get credit for the event and sign up for the field part of merit badge if they are interested.
