

Troop 212 Family Snow Sports Day
Sunday, January 12th, 2014 at [SNOW SUMMIT](#)

Overview & Required Forms

A greeting to all, here's a review of information & directions to get signed up for this year's family Snow Sports day @ [SNOW SUMMIT](#). This is a family event so all are welcome. Please be sure to read this instructional communication along with the referenced attachments completely as this will help answer most of your questions.

Helmets are Mandatory for all Scouts per the Guide to Safe Scouting (revision date 08/19/2009). For the first time, Snow Summit does rent helmets, so additional information under equipment rental will be posted to help you if you chose this option.

It is highly recommended that New Boarders and Skiers take lessons. The price is right and it's a safe way to learn with trained instructors.

What do you need to do?

- 1) Release Waivers
 - a) Group Ticket & Lesson Release Waiver: Fill out completely ONE per person including Adults. Parent or guardian must sign for minor. (online – see separate instructions on this posted to troop website)
 - b) Troop212 Permission Slip: Fill out completely ONE per Scout (down load from troop website).

- 2) Rental Forms for those who need equipment (down load from troop website or pickup at Monday meeting)
 - a) Fill out the "Guest Info Sheet" page completely ONE per person (You keep this form with you and hand it in when you pick up your equipment).
 - b) If you are renting a helmet then you need to fill out the separate Helmet Rental Waiver (You keep this form with you and hand it in when you pick up your equipment, please note: minors will require a responsible adult to be present).
 - c) Purchase of a damage waiver for each set of equipment rented is mandatory.

- 3) Payment Schedule – Review the cost schedule and select the package(s) for yourself and/or your family. Please fill out the quantity and totals on your cost schedule form. This should match the payment you submit. Please remember to include the mandatory damage waiver cost for each set of equipment rented. You will also need to complete and submit a "Participant Form" for each person in your family group.

- 4) Submit all completed forms and payments to Randy or Gloria on or before the troop meeting of **MONDAY, December 16, 2013.**

This event starts at the hill and participants need to arrange transportation to and from the event. If you need help arranging a ride to the event, please let us know and we can help you. Directions along with any other mountain info, including additional forms if needed, are available @ the [SNOW SUMMIT](#) web site www.snowsummit.com. Please note we have included information for bus services (see below) to Snow Summit. For those of you who may want this service you will be responsible to make arrangements on your own.

We meet on the mid deck of Bear Bottom Lodge (near chair 11 and 2 – see map on last page) starting at 7:30 AM. People can arrive anytime but Scouts need to check-in to get credit for the event and sign up for the skills part of merit badge if they are interested.
