

# T-212 Deep Sea Fishing Trip – September 29, 2018

Dear Scouts and Scouters,

The deep-sea fishing excursion planned for Saturday, September 29<sup>th</sup> will be going out of LA Waterfront Sportfishing in San Pedro on the Sport King. This is a great opportunity for the boys to get involved in a day of ocean fishing this year. The ¾ day fishing trip includes passage on the boat, tackle (rod, reel, gear, bait), lunch, fish cleaning, and tip. The weather and fishing are typically outstanding in late September, so we are excited that we were able to secure a boat and hope that it is an exciting and educational trip for the scouts.
