

## **Troop 212 Bike to Breakfast**

**When:** Saturday, Mar 23, 2024

**Meeting Time:** 7:00 am at the church for a Mandatory Bike Inspection and Safety Training

**Departure Time:** 8:30 am is our target, if all safety inspection requirements have been met

**Destination:** Louisiana Charlies, Mothers Beach Park

**Return Time:** Estimated at about 12 noon...same church parking lot.

**Route:** To be determined by the Troop 212 Junior Leader in charge.

**Adults:** Are highly encouraged to ride along, behind the scouts.

### **All riders must have:**

1. Signed troop permission slip.
2. Properly fitting bike helmet. No baseball caps worn under the helmet.
3. Sturdy functioning bike (BMX style is discouraged). Bring your bike to March 18th meeting for inspection
4. Extra bike inner tube that fits bike tire. More than one would be ideal.
5. Money for breakfast. Average breakfast is \$15, more for a drink and tip. Each Scout, and parent, will pay separately.... not as a troop group.
6. Water. Bring approximately 16 oz in a mounted bottle cage or daypack. Camelback hydration is ideal.
7. Applied Sunscreen. Sunglasses also recommended.
8. Optional: bike lock, small repair kit, small portable pump, phones.

**Safety Note 1:** No personal listening devices are to be used during the ride. Nothing can be carried in rider's hands during ride.

**Safety note 2:** We will need some support trucks available. We will review this need during the upcoming Tuesday Parents Program Planning Meeting.
