Scout Skills @ Fort Tejon

March 8th, 2024 • \$60 per person

Trip Overview:

This year's scout skills weekend will be at Fort Tejon, a favorite from years past! Tejon is a group camp site only, there should be no individual campers and we should have the place to ourselves. The program will include basic scout skills for newer Scouts including knots/lashings, map/compass, first aid, fire building, and cooking. Parents, ASM's and JASMs will use their experience and leadership to teach the younger scouts. The theme of this trip is preparation for a more rigorous Pioneering weekend next month.

Accommodations:

Drive up tent camping. Adult kitchen and Patrol feed. Troop meal shopping will be Thursday March 7th @ 7:00 PM.
