This Saturday, May 24, we are meeting at the Forest lawn Cemetary, [4471 Lincoln Ave, Cypress](#), in full uniform at 6:30 AM, with permission slips, for our annual Memeorial Day Flag planting event. We suggest all scouts have a screwdriver to create a starter hole in the ground for the wooden dowel that has the flag attached. We estimate this event to be complete at about 10 :30 AM

Monday, May 26th, the troop meeting is closed for the holiday.

Our Family camp for June has record attendance reservations. We believe we have accommodated everyone's request. We will be distributing the list of camp site assignments very soon. If you have any question about your reservation, please co-ordinate with Cory.

Our Summercamp adventure is rapidly approaching. We learned a great deal about this camp during last week's zoom presentation. We will be reviewing our plans for camp on Tuesday, May 27th, in the Church Parlor at 7 PM. All parents that have scouts attending summer camp are expected to attend this planning meeting. Forms and permission slips are being collected by Terrie.

Our annual Camping Gear Clean Up Event is scheduled for Saturday, May 31st, at 8 AM, Johns house alley. This is a non-uniform event, but permission slips will be collected. We expect this event to be completed by 12 noon.

We have our Sailing event scheduled for June 7 th., from 12 noon to 4 pm at the Scout Sea Base. This is a High Adventure event so BSA Medical Form Part A and B are required. The cost is \$50 per person. Money, forms and permission slips are to being collected now and up to the deadline of June 2nd, by Cory and Melissa.

Thx
John
