

Dear Scout:

Dear Scouts and Scouters:

If you are a Troop 212 Junior Leader, you are expected to join in on the special One Day Planning day to design next year's program. During this time we will select all the event locations and other program features that effects your troop.

We will be meeting in room 405 at the Church, 7:00 AM. We expect to be completed with the planning by 6:00 PM or sooner, depending on the efficiency of the Junior leaders.

This is a Class A uniform event.

The troop will be providing you a light breakfast/snack and lunch. There is no charge to you for this event.

If you have any questions contact the Senior Patrol Leader or the Scoutmaster.

Most importantly, bring your good program ideas and dates to remember.

We will need some adult trip leaders, and calendar scribing support, to assist the scouts with their planning efforts. Please e-mail me your availability.

Thx
John
