

## Rappelling day trip to Stoney Point on Saturday, November 16, 2019

Dear Scouts & Scouters;

The theme for this trip is climbing and rappelling and it will be a day trip to Stoney Point in Chatsworth. Everyone will need to bring a sack lunch and enough water for the day. Be advised: There are no bathrooms on site. The advance crew of instructors will leave in the early morning to set up the ropes so everything is ready when the troop arrives. The climbing rocks are about a ten minute hike from the cars so bring a pack to carry your belongings.

Major climbing gear components will be provided, including the ropes, webbing, safety helmets, and harnesses. Trip attendees should provide leather gloves. If you are interested in providing your own climbing equipment, please consult with the Troop 212 Climbing Instructors Kevin Cobabe and Chuck Smith. Purchasing your own equipment is not necessary.

Class B uniforms will be worn for this event. Let everyone see who we are!
